(CDE 2009-10; 2010-11; 2011-12)

This fact sheet was designed to provide educators, legislators, the media, and the general public with basic statistical information on Pre-K-12 education in El Dorado County. Data was compiled by the El Dorado County Office of Education (EDCOE).

MISSION STATEMENT

The County Office of Education will provide leadership into the 21st century through quality service to school districts, students, parents and community, while promoting educational excellence for all learners through the following means:

- *Provide leadership and advocacy support on behalf of public education;*
- *Develop and implement student programs, as requested by school districts or in response to community needs;*
- *Serve as an intermediate educational agency between school districts and state control agencies as mandated through legislative or administrative acts;*
- *Coordinate educational programs and services to maximize effectiveness and reduce duplication of efforts and provide technical assistance, as needed.*
